Winter Programme God's Big Picture

The Bible is a unique book. It was written in three languages over fifteen hundred years by more than forty authors on three different continents. The Bible contains sixty six books, but rather than read them as separate stories each book is like a chapter of one great true story which is united in it's theme and purpose - God's people, in God's place, under his rule and blessing - that's how it all starts.

The God's Big Picture Bible overview course traces the story of the whole Bible from Genesis to Revelation to see how it all fits together, telling of God's wonderful plan to save the world through Jesus Christ.

Together we will watch a short teaching video and then discuss a bible passage learning. There will also be time to pray for each other.

All Welcome

Who Are We?

We are a diverse group of people of different backgrounds and ages. We meet together each week to hear the Bible read and explained. Through the Bible God speaks to us about himself, ourselves and our world.

Church is the people, not the building, and God's people are a family - brothers and sisters united through a common faith in Jesus.

As a family we are Centred on Christ and Serve the Community.

*We meet each Sunday in the Carrigaline Community Centre.
You are very welcome to join with us.*
